

## **Appendix 1 – KU-QP - Quality policy statement**

Kuda UK LTD aims to become the leading supplier of aerodynamic fuel saving aids for commercial vehicles and supplier of Europe's largest range of after-market commercial vehicle accessories.

In meeting the above Kuda UK LTD also aims to achieve exceptional levels of customer satisfaction by delivering reliable, high quality, cost effective products and services and output orders within agreed time frames thus generating the returns required to;

1. Reward stakeholders for their investment.
2. Reward our people for their efforts.
3. Provide the funds to support future operations and company growth.
4. Provide a stable and enjoyable work place for our entire team.

Kuda UK LTD is committed to the continual improvement of its performance by the monitoring of quality issues and through involvement with customers, suppliers, regulatory authorities and the community.

Compliance and improvement is monitored by process measures and internal audits and is maintained by the timely implementation of preventive and corrective actions.

Meeting these standards is the responsibility of the entire team. Kuda UK LTD is therefore committed to working with all stakeholders and staff to support effective operation of the companies Quality Management System and the achievement of goals and specific objectives.

Signed for on behalf of Kuda UK LTD.
